

ADDRESSING THE INTERNET'S BIGGEST CHALLENGE FOR SMALL BUSINESSES  
SEARCH ENGINE OPTIMIZATION

COMPACT 2 will work hand in hand with your business to maximize your Web Presence. Studies have proven Web Sites that have been Optimized for Search Engines consistently rank much higher than the competition.

- Market Research
- Keyword Research
- Page Optimization
- Link Building
- Brand Building
- Measuring Results

COMPACT 2 Technologies has been providing quality Internet Technology services since 1995. We have always practiced good SEO techniques before SEO was a buzz word. With the increased competition on the web for an ever increasing marketplace, CP2 has developed SEO Lite to assist small businesses in getting their products and services to the forefront of the web.
